# OUR EXCITING 7 WEEK SUMMER PROGRAMME

class  
1  
NURSERY  
2-3 years old

Our Nursery summer class provides a fun and nurturing environment where young learners can explore through sensory **arts and crafts**, **music** and **movement** and engaging **gym activities**. Indoor and outdoor games encourage physical development, while stories, role play, and library time foster **creativity**, **reading** and social skills. Each week features exciting themes such as Teddy Bears, The Jungle, Nursery Rhymes, Colours, Under the Sea, Plants, and Toys—plus so much more!

class  
2&3  
EARLY YEARS  
RECEPTION  
3-5 years old

Early years and Reception summer classes offer a fun and engaging programme designed for young learners. Children will develop **literacy** skills through reading and storytelling, while **numeracy** activities focus on counting, addition, subtraction, and estimation. **Creative expression** flourishes with exciting arts and crafts projects like painting, sticking, colouring, and tie-dye. Daily **sports** activities include ball games and gym fun, promoting teamwork and physical development. **Thai culture** sessions introduce language, traditional games, and music. And of course, the ever-popular **cooking** lessons add flavor to summer school!

Each week explores exciting themes such as homes, living things, toys, community helpers, monsters, safari adventures, and plants—plus so much more!

class  
4&5  
YEAR  
1-2  
5-7 years old

The Summer School program for Y1 and Y2 offers a variety of fun and engaging activities! Students will explore storytelling, writing, and spelling in **literacy**, while **numeracy** lessons cover multiplication, division, fractions, and time. In **Science**, they'll engage in hands-on experiments where curiosity meets creativity. Creative art projects include mixing colours, clay art, and T-shirt painting. **Music** sessions focus on percussion instruments and rhythm. **ICT** activities teach core computer skills and introduce basic coding, graphics, and interactive learning games. **Cooking** lessons, ball **sports**, **gym** games, and **Thai** cultural activities add even more fun to the mix. There's something for everyone this summer!

class  
6&7  
YEAR  
3-6  
7-11 years old

For Years 3–6, summer school offers an exciting and diverse programme, including **literacy** activities like poetry, fiction, story writing, and drama, alongside **numeracy** challenges such as word problems, fractions, and measurement. **Science** enthusiasts can explore forces, space, and living things, while creative minds engage in mixed media art, clay work, and sketching. **STEM** activities such as sewing, classes, and game design will enhance problem-solving skills, and culinary workshops inspire young chefs with hands-on **cooking** lessons. **Music** sessions introduce percussion and rhythm, and **ICT** sessions covering graphics, coding, and game design further boost computer skills. **Sports** lovers can enjoy football, basketball, badminton, pickleball, and agility-based games, while **Thai** culture sessions offer an immersive experience in language, traditional games, and music. With so much to explore, there's something for everyone!
